# MEGAN

Every Saturday afternoon Megan has her lessons downtown. The instructor is a sixth degree black belt in Karate but she's about to find out that he's a 10th degree black belt with his penis. That's another lesson she's about to learn. It all begins slowly, but after a few minutes, the action is rough and tumble, where they both are winners.

# WHAT MAKES A NYMPHOMANIAC?

*If science doesn't have an answer, who does?*

"I feel horny all the time. Does that make me a nymphomaniac?" Theresa asks. "Not really," counters her drinking buddy, Beth. "Because I feel that way all the time, too." she adds. "Fortunately for me, I've got Craig for my booty calls day or night. He's very adventurous and accommodating with me. I love to experiment and he goes right along."

Beth says as she sips her mocha latte. Beth has an arrangement with her college lover which allows her fantasies to be explored and enacted, some of her most extreme desires to be expressed and satisfied. So she tells Theresa how the two of them enjoyed their lustful liaisons, those liaisons sometimes including others. This certainly piqued Theresa's interest.

"I have this thing for pretty cocks. They have to be straight and long. And they have to stay hard for a long, long time." Theresa

says. "What's Craig's like?" Beth pulls out her smartphone and scrolls through the pictures stopping at the full torso shot of a guy with a long hard dick in profile. "That's Craig's." Beth boasts. She flicks the screen and more shots of his cock appear. One has a woman's hand around it. "That's my hand around it, just to show you how long it is." Beth says. One more flick and a shot of Beth's mouth around the cock head appears and she explains how many shots she had to take with the phone's camera to get that one good one. Beth laughs out loud and winks at Theresa, whose eyes are wide open and her jaw's dropped as she gazed at the pics.

"It's one absolutely delicious cock." Beth says, and with a sly smile adds, "but it's even tastier when it's deep inside my pussy." Beth thinks for a minute and adds "No it's better when it's in my ass!" she says. "In your ass?"

Theresa asks. "That's delicious, lady, I so dig that too. There's just something about that stick of man-meat inside my butt that makes me melt." Theresa says looking up from the photos. Putting both hands around her drink, Theresa looks directly into Beth's eyes and says "Another thing I love is pussy!"

"Oh, you're bad, and a mind reader. I do, too. Men are nice and they have their place, but a nice, soft wet pussy is something I can get lost in for hours, baby." Beth says. Realizing that a rare moment has happened, they stare at each other and then both break out into a which acknowledged the fluid, easiness that they were able to discuss these secret thoughts. Lunch time was over and they headed back to the office. "I'll call you later." they said at the same time.

That night the two talked – setting the wheels in motion to ex-

ploit their plaything. Details were discussed and plans were made. The most difficult decision was to tell Craig or not. They decided, not! A few night later Theresa's at Beth's apartment. Beth had Theresa arrive first so they could share a glass of wine or two before he came.

There's a knock at the door. Both ladies go to answer it. Standing there is Craig. Immediately his eyes meet Theresa's and she smiles back extending her hand, "Hi. I'm Theresa." she says. "Pleasure to meet you. I've heard a lot about you." he said. Craig and Theresa seemed quite pleased to finally lay eyes on

His face is handsome, but not a pretty-boy. His hands and feet are large, something not lost on Theresa.

Beth invites everyone to the kitchen for drinks. Leaning on the counter, Beth says that she showed Theresa his photos on her phone. Craig blushes and is a little taken aback by Beth's comment. She goes over to him and rubs his arm, saying 'that's alright.' He looks down at her and smiles. She backs off a little and reaches for his drawstring looking at Theresa saying, "Want to see it live?" She rubs the front of his shorts, squeezing his cock so that when she slips a hand

eyes focused on every detail of his cock. Then Beth bends down and takes his cock into her mouth. As she sucked and stroked the shaft in her hand, Beth motions to Craig to take his shirt off. He obliges by pulling the top over his head, exposing his beautiful chest. Just the right amount of hair and well-formed pecs. Beth steps back and pulls down his shorts exposing his cock completely to Theresa. Now standing stark naked in front of Theresa, he grabs his cock and gives a few deft strokes while looking Theresa right in her eyes.

Beth strips herself naked closely watching Theresa's and Craig's interplay. Beth was going to help Theresa undress but, before she did, she couldn't help doing something, something she always craved. So she dropped to her knees behind Craig, took hold of his trim, firm buttocks, spread them wide open and pressed her face between them, lapping hungrily at his asshole. Theresa comes over to Craig and takes his cock in her hands. She looks at him directly and strokes his cock, licking his lips as if to tell him what's going to cum later. Beth stands up and pushes Craig as Theresa pulls him by the cock into the living room.

one another. Craig was wearing board shorts and a white tank top. Not really a surfer kind of guy, he still likes to wear clothes to show off his body.

The ladies back away from the door and Craig enters the house. He is taller than his picture seems to show, and much better built.

under the elastic of his shorts, she finds it large and hard.

Fondling him in his shorts, she pulls them down with her other hand and pulls his cock out as Theresa watches. She looks at Theresa, teasing her with her eyes while stroking Craig's cock. Theresa takes in the sight with

ting her face right at Craig's cock height. She replaces her hands with her mouth and slowly begins to caress his cock with her lips. Now Beth sits on the couch next to Theresa, the two women gazing at each other as Theresa kept up the blow job and Beth began to unbutton her blouse. Beth brings her face close as Theresa, reading the signal, releases Craig's cock from her lips and lets Beth have herself a nibble. But Beth had other things in mind as she now urges Theresa to resume sucking, systematically disrobing Theresa as she continued fellating Craig. Off came the blouse, the skirt, and the rest leaving the three of them utterly and totally naked.

Now Beth wanted to have she and Craig perform for Theresa's viewing pleasure – have her watch as they engaged in one of their typically raw, scorching couplings. When they lunched, Theresa had been deeply intrigued to hear how much Beth enjoyed taking it up the ass, and when Beth had mentioned to her that perhaps she'd like to come by some-

time and watch she and Craig do the dirty, Theresa, with a glint in her eye, said teasingly that she'd love that, especially if Beth promised Theresa could watch the anal antics.

Before any of this was to happen, Beth lowered her face to

Theresa's breasts, sucking one nipple, then the other. Her nipples were stiff and aroused, and loved having her very sensitive nipples sucked like this while she sucked Craig's cock. Beth got up on the couch on her knees and stuck out her ass provocatively – stuck it out nice and high knowing that would separate her cheeks enough to make her asshole visible to the two. She knew how desperately Craig lusted for that puckered little hole every time he laid his eyes on it. Beth brought her two hands back to hold her buttocks wide open. Looking over her shoulder, Beth could see Craig pushing gently on the back of Theresa's head towards Beth's totally exposed bottom.

Theresa complied grabbing

always, the sensation was sublime. For some women their assholes were tempting but forbidden entryways to be denied their men, or were offered up, often reluctantly, as a special treat to please them. But for Beth her asshole was like another pussy, it was one the major destinations of her erotic topography. She always knew she had the potential for enjoying sensual pleasure down there. But it was Craig who really opened her up to the thrills and the joys of anal sex.

Immediately Theresa began to lap away hungrily at that morsel, betraying that she knew a thing or two about lavishing an asshole with oral attention. Craig watched Theresa tongue Beth's bottom, her eyes sparkling with lust as she glanced over at

Beth's ass cheeks, caressing and then massaging them as she teased the other woman, playfully blowing air right on her vividly exposed asshole, the effect on Beth to make her long desperately for the feel of Theresa's tongue, anyone's tongue! Then she felt that tongue and, as

Craig lewdly flickering the tip of her tongue over Beth's asshole.

Beth groaned as she felt the two tongues work away at her, Theresa's making it down to her clit, already swollen and pronounced, teasing her with a few quick flicks of the tip of her

tongue over that hard little nub. But Theresa knew there would be plenty of time to attend to that little pearl of Beth's.

This was just a quick tease. And so now she dragged her tongue upwards again as Craig pulled away and Theresa resumed licking Beth's asshole. They took turns now, Craig and Theresa, lapping away at Beth's ass like two famished gluttons, first just licking, then, Theresa follow-

eyes on her. Now, Craig slid in a finger of his own alongside Theresa's, Beth's asshole well prepped for such probing after all the lavish licking. Beth often had two or more fingers wedged up her asshole, but they usually belonged to one hand, Craig's.

He reached over to the side table and grabbed a jar, unscrewing the top. He told Theresa to dip a finger or two and 'to grease her up.' That sent a chill through

the plunger and plungee. Craig positions himself behind Beth and pushes his cock into her ass with Theresa guiding it to the spot. He forces an inch or two at the start and then goes deeper and deeper. Theresa realizes her fingers are well greased and surprisingly sticks one into Craig's butt. He lurches forward thrusting his long hard cock suddenly deeper into Beth's ass, then pushes back out so her finger can go into him even deeper.

ing Craig's lead, forcing their tongues up into her anal passage. Craig told Theresa to stick a finger inside her butthole, pulling back his tongue as Theresa pulled hers back, replacing it with a finger, which she slowly dug into Beth's anus. Beth moaned as she felt the stiff digit slide into her bottom. Beth craved the finger probing her bottom, digging in deep, and loved hearing Theresa being so expressive.

But she wasn't surprised; she had the sexy brunette pegged as a hot little number and a sexy tease the minute she laid

Beth whenever she heard Craig use the word 'grease.' Somehow it sounded especially obscene, knowing that the greasing he referred to was of her ass, and that it was to be done for a purpose, for the fucking of that ass.

Theresa, smiling a little wickedly, pulled her finger out of Beth and reached to scoop up a big dab of the grease, slapping it between Beth's cheeks. She slowly and teasingly spread the slick lube all over Beth's anus, then working plenty more in with a couple of stiff fingers. She turned to Craig and spread more on his readily stiff cock, prepping both

Craig motions Theresa from behind him and tells her to kneel on the sofa beside Beth, which she does, releasing her finger from his ass. With his cock still deep in Beth's ass, he returns the anal finger-fuck sticking a well-lubed finger now into Theresa's ass. After several more thrusts he pulls Theresa's hips next to Beth's and replaces his finger with his cock. Now Theresa can enjoy what she has fantasized about – a long hard cock deep inside her ass.

Never realizing how good it felt, she takes over the fucking by moving back and forth on his rocket. Beth turns over to lay under Theresa and begins to lick her pussy holding her ass cheeks apart for Craig's thrusts. All of a sudden there are police sirens coming down the street and I have to quickly get away from the window because I don't want to get caught. I'll try to come back later to tell you how it all ends.

# KATRINA

I like to think that my blow job skills are some of the best on the planet. Nobody does it the way I do. All I know is that the boys know that and they keep cummin' back for more. But my specialty is a fuck with two well-hung studs. Will I give them my all today? If you ever watched my videos, you wouldn't have even asked that silly question.

# BROOKE

The weirdest thing a doctor has asked me is if I would fuck him in the operating room for a new car. I was shocked. I mean, I knew him enough to have had sex with him, but one day we're in the ER and he asked me that. I told him I had to think about it. Eventually, I told him 'yes.' I'm just glad that we weren't interrupted doing it.

## LETTERS FROM OUR READERS

### POLAR BEAR PLUNGE

I've always loved the winter and the long chilly nights with warm drinks, fireplaces, and company. This year, I finally did something I've always wanted to do but was too afraid to try: the Polar Bear Plunge. Even with my love of the cold, jumping into a freezing lake and the sight of the shivering plungers year after year gave me cold feet.

But this year, I finally did it for New Year's, and I'm so glad I did! It was a frigid, cloud-covered day that made even the cold lover long for more layers and the warmth of a good heater. The water was even colder, and a few daring souls signed up and backed out at the last minute. For my part, I was visibly shivering and thought about backing out for a minute. At least, that was until I saw the bombshell who was lined up next to me. Over six feet, with long, raven hair, a slim, tanned body, and a chest that shot out from her body at full salute.

She smiled quickly at me, and I suddenly realized there would be no pulling out this year. I did everything possible to prepare myself to jump in with the others, already feeling the icy wind across my body. But, as much as I wanted time to go more slowly, both to avoid the plunge and to keep my eyes on this beauty next to me, we finally got the signal. Unfortunately, she distracted me so much that I missed the call, but when everyone started jumping around me, I got the clue and followed like I knew what I was doing.

The freezing pain was there, but then it was numb and gone. Instead, my body felt like it went into a frenzy, shaking and shivering with a strange feeling of... not warmth but life. I was only in the lake for a few seconds before jumping out again, invigorated. Even as the icy breeze tore at my flesh, I didn't feel any sense of panic and even allowed myself to become a bit distracted by the woman I'd seen before taking the plunge. She still radiated heat, hotness, and sensuality, which was good because I followed her to the drying station where we could get warmed up again.

After a few minutes of drying off, I started feeling again, and I got up to talk to her. She caught me heading over and glanced at me as she got up and walked out of the tent and toward the parking lot. I followed, hoping that I had the signal right. I must have because she quickly grabbed my wrist and pulled me toward one of the cars I guessed was hers. Then, telling me she wanted to warm up right, she threw me into the backseat and pulled down my light trunks. Whatever chill I had left rushed away as my dick responded instantly to the attention she wanted to give it.

She let her dark eyes linger on mine as she stroked me a few

times before letting my large shaft down her hungry, wet throat. I almost screamed out at how sudden and fierce she was, at how quickly she'd taken me. And it was amazing! She devoured balls deep, choking on my manhood before pulling out and teasing the head and slit with her luscious tongue.

I'm not sure how long she gave me, but she pushed me right to the edge before letting go and letting her long, suddenly naked body slither up my chest. Her perky boobs pressed into me, and I reached out to take the nipples, twisting and teasing them through my fingers. She sat up deftly and casually slid my throbbing dick into her ass. It was everything I could

do not to explode right there. She grabbed my hands and rubbed them over her breast as she rode my aching shaft.

Even though she was toying with me, I didn't mind. I let her take her time and use me however she wanted. The heat quickly built between us, and she leaned us up, and we made out as her ass bounced happily on my lap. More than once, she had me right there and managed to hold me back. And when she finally let me explode deep in her back hole, the intensity of the pleasure sent me into a daze. Load after load of juice pumped inside her until I was utterly spent. Then with a last kiss, she threw me out of her car, laughing that I'd see her next year. I can't wait!

### THE NEW MASSEUSE

It was the second swim meet that Marla was in that weekend and she knew her injured back was getting worse. After the meet, she left the college's swim facility and started to walk home – but just as she was about to exit, she saw a bulletin board with a large sign that said "Do your muscles ache? Sports massage is the healer." Maybe this was the chance to make her back feel better, Marla thought. She went back into the facility and found another swimmer. She was told that a new masseuse had just taken a space in the building next door. Marla decided to stop in and the receptionist told her the prices and said they had an hour's opening this Friday.

That Friday, Marla met her masseuse, Paulo, at the appointed time. She had not had a massage before so she was a bit unsure what they would do? Still she carried on hopeful to see if it could

help her back. "You must be Marla." "Yes," she said. "I am." She explained about her swim meet last weekend and the back pain she was experiencing.

He asked if she would get changed and pointed towards a curtained area. She pulled the curtain across and got changed. Reaching her underwear she was unsure of whether to take it off. Slightly embarrassed and nervous she decided to leave it on. Then wrapping the towel around her, she emerged from the changing room. Paulo asked her to climb onto the table and as she did, he took her towel and laid it over her body. He then said, "I will start working across your back. Just shout if anything hurts."

Paulo rubbed for a long time all over her back when she felt his hands all of a sudden push under her bra strap. "Do you mind?" he asked – that it is very hard to do her back with the bra strap across it. "May I undo it?" "Okay." she said. All of a sudden she felt his hands move slightly under the towel and onto the top of her panties. It made her shiver slightly but she was so relaxed she didn't mind. This carried on for some time before he moved to her legs. This time rolling the towel up – she knew it was just her ass covered now. Suddenly, Marla realized she was getting turned on.

Finished on the back side, Paulo asked her to turn over. She grabbed the towel to cover herself as she rolled onto her back.

IT MADE HER SHIVER SLIGHTLY BUT SHE WAS SO RELAXED SHE DIDN'T MIND.

He starts with her shoulders and notices she's squirming. "Is everything okay?" he asks. "Yes, I'm getting.... just a little turned on." she says shyly. "Oh," he said and added, "If you like, I'll massage your breasts and you can massage down there." She chuckled and whispered "Okay." Within minutes of fingering her clit and Erick playing with her boobs under the towel, Marla cums quietly and smiles a big 'thank you' up at him.

# MELODY

I've always been a huge exhibitionist, even if I have small (but nice) titties. Wearing clothes can be bothersome, especially if I'm trying to get off. I do my best work when I'm naked, and like my guys that way, too. I mean, what good is a cock when it's stuffed down some pants? So I have my own solution, and I get off nicely!

## RILEY & CASSIDEY & HILLARY

My bff and I decided that we just couldn't afford to live in this expensive condo... without a new roomie to help pay the bills. We interviewed a bunch of girls and decided that Hillary was the best fit for us. Her good looks and uninhibited libido was perfect for our lifestyle. Go online and watch our sizzling threeway, and you can see why.
